

# How we work

Nesta P&R Away Day 28 April 2016

# Introduction

We analyse and support innovation

But how can we innovate in our own  
work?

Today we want to explore ways of  
doing this

# How?

- Present some methods and tools we can use / have started using
- Go beyond the jargon to talk about applications
- Do a **fun** exercise
- Discuss next steps: how to get started

**context**

**Collecting data**

**Analysing**

**Communicating**

**Disseminating**

**Measuring our impact**

# Managing projects

***And now for the fun!***
